

## **Agreement of honorarium and operation-treatment**

Dear Patient,

The planned surgery is a medical needed liposuction, because of lipedema, diseased fat distribution by women. Unfortunately, that treatment will not completely be paid by statutory health insurance or private insurance. Because of that, following costs will be charged:

**Medical treatment, material, monitoring over night, panty, medicine: 5995 Euros**

**Please transfer the amount to the following bank account 10 days before surgery:**

**Consignee:** LipoClinic Dr. Heck  
**Reason for payment:** Your name and date of surgery!  
**Bank:** MLP Bank Heidelberg  
**IBAN:** DE84672300004109554739  
**BIC:** MLPBDE 61

After the honorarium order for medicines (GOÄ) will accordingly §2 paragraph 1 and 2, §6 paragraph 2, §5 paragraph 1 and 2 following digits recognized.

digit 491 factor 3,5 infiltration of large areas  
digit 2454 factor 3,5 operative removal of fat tissue

You were advert and accept with your sign that:

The agreement of honorarium, not depending on the amount of the reimbursement of the private health insurance or an aid agency, is valued. The refund might not be secured in the whole amount and has to be paid by the private insurant patient.

You confirm, you got an excerpt from that agreement.

I am really thankful for your trust.
